BLOG

The screenshot displays the WordPress 'Add New Post' editor. On the left is a dark sidebar with navigation links: Dashboard, Posts (active), All Posts, Add New, Categories, Tags, Media, Pages, Comments, LeadPages, Thrive Lightboxes, Focus Areas, Thrive Opt-In, Appearance, Plugins, Users, Tools, and Settings. The main content area is titled 'Add New Post' and features a text input for the title with the placeholder 'This is where your title would go'. Below the title is a permalink field showing 'http://blogging.org/this-is-where-...title-would-go/' with 'Edit' and 'View Post' buttons. An 'Edit with Thrive Content Builder' button is also present. A rich text editor follows, with a toolbar containing bold, italic, text color, list, link, unlink, table, gallery, and media icons. The editor's content area contains the placeholder text 'This is where you would type your blog post content'. To the right of the editor are tabs for 'Visual' and 'Text'. At the bottom of the editor, a status bar shows 'p', 'Word count: 1', and 'Draft saved at 9:51:37 pm.'.
